

How to find biographies

Need to find a biography?

Which one of these applies to you?

You know the name of the person.

Do a keyword search in the library catalog. Type the person's name and the word biography.

Example: Tony Hawk and biography

You know the subject, but you haven't chosen a person yet.

Do a keyword search in the library catalog. Type in the subject matter and biography.

Example: science and biography

Or go to that area of the library and browse the books in that section that have a green biography sticker on the spine.

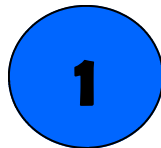

You don't know either of these things, and you need some suggestions.

See the back of this bookmark for suggestions, browse the books that have a green biography sticker on the spine, or ask a librarian for help.
