Have Internet access at home?

*Kids InfoBits* and other databases are available 24/7 from our website!

<http://www.lincolnlibraries.org>

### **Connecting to LCL Databases from outside the library:**

1. Go to the library's website at [www.lincolnlibraries.org](http://www.lincolnlibraries.org).
2. Click on Research Tools on the yellow menu on the left side of the screen.
3. Click on Research Resources (Databases). Click to select the database you would like to use.
4. Enter your library card number.
5. You should now be able to navigate Kids InfoBits.
